Donate for Humanity

Established in 1958 by a prominent educationist and a Sufi, Khan Bahadur Ahsanullah (R.), Dhaka Ahsania Mission (DAM) is a non-government development organization having multidimensional humanitarian endeavour. The distinctiveness of the organization is driven by its specialized institution and social service interventions of 08 core sectors- Education; Economic Development; Health; Technical & Vocation Education and Training; Rights & Governance; WASH; Agriculture; Climate Change & Disaster Risk Reduction and other development programmes. For details, please visit: www.ahsaniamission.org.bd. To sustain the overall mission of providing high quality services for the welfare of poor & deprived people of Bangladesh, DAM has a Zakat Fund Management program. Additionally, you can also donate to individual institutions of DAM. You may explore your donation options from below:

Ahsania Mission Zakat Fund (General)

Ahsania Mission Zakat Fund (General) is the dedicated entity of DAM for collecting 'Zakat' from kind-hearted individuals/organizations and to stimulate the fund for structured social development initiative for extremely poor people, such as- a) literacy of illiterate population; b) education of children belonging to poor families; c) marriage expenses of girls from poor families; d) Assistance for Income generating activities; e) Run charitable homeopathy treatment centres; f) Rehabilitation of beggars; g) Emergency relief distribution & rehabilitation of disaster affected community. To ensure the accountability and transparency of Zakat Fund we have a 5-member management committee those are selected by the DAM Executive Committee. For details, please visit <http://zakatdonation.org.bd/>

Ahsania Mission Children City Making Difference in a Child's Life

DAM has established Ahsania Mission Children City (AMCC) in 2012, to ensure comprehensive developmental support for the most vulnerable street children of Bangladesh. Currently, the number of children living in AMCC's permanent residence, located in Panchagarh is 200 which requires an estimated expenditure of around BDT 10,00, 000. However, having no donor at the moment it is quite challenging to ascertain child right subsets related to the protection, survival, development, participation and to reintegration for these children. With your donation, DAM would be able to help a child to grow in their full potential and mainstream them into the society when they turn 18 year old. Moreover, Your Donation Can Prevent a Child from Ending up on STREETS! For details please visit www.ahsaniachildrencity.org.

Ahsania Mission Cancer and General Hospital (AMCGH)

Building the ideas of the founder, DAM embarked on establishing a modern Cancer hospital where world-class treatment will be available. Ahsania Mission Cancer and General Hospital (AMCGH) is one of the major projects of DAM to fight cancer in Bangladesh. AMCGH is dedicated to create scope for modern health care services with special emphasis on cancer treatment at the most affordable cost. Nevertheless, to ensure services for the uprising number of cancer patient, to upgrade the capacity of infrastructural arrangements & to support subsidiary expenditure of poor patients, AMCGH is in need of external financial support from donors. A part of your donation will also be used to provide free of charge treatment to the poverty-stricken patients. May, Your Zakat/Donation save a life of a poor cancer patient, this year. For details please visit www.ahsaniamission.org.bd/amcgh

Thikana (Shelter Home): The Home of Hope

In continuation of establishment of various social development institutions, DAM established a shelter home named Thikana in Vekutia, Jashore in 1998 to accommodate around 60+ TIP & child-marriage survivors. It is a residential service delivery centre. With the support of our valued donors, Thikana has participated in various cumulative efforts against trafficking of women and children in four directions: a) Prevention, b) Protection, c) prosecution, d) economic empowerment for sustainable reintegration. By donating zakat for Thikana, you can help DAM to combat illegal migration and at the best can help a survivor to turn around from financial deprivation.

KANAN-A Centre for Abandoned Children & Destitute Women

KANAN-A Centre for Abandoned Children & Destitute Women is a safe home for abandoned children and unwantedly pregnant women aimed toward their comprehensive development & rehabilitation assistance. The centre is located in Mirpur, Dhaka. By donating to KANAN, you can aid safe accommodation, food, clothing, healthcare, mental health and other necessary support for a misfortunate child/women and help them to restore their social right & respect. For details please visit www.ahsaniamission.org.bd/kacacdw

Khan Bahadur Ahsanullah (R.) Islamic Centre

As a part of Dhaka Ahsania Mission (DAM)'s Spiritual development initiatives, last year DAM established "Khan Bahadur Ahsanullah (R.) Islamic Centre" (following dars Nizami curriculum) at Nalta Sharif, Satkhira. The core objective of the residential institution is to produce a group of Dayee and Muballig (Alim, Hafiz, Qaree, Imam, Khatib and Wayez) in alignment with the Ahsania Tariqa and philosophical motivation of Khan Bahadur Ahsanulla (R.). Coming from poor and needy families, most of these pupils are struggling to afford the accommodation and educational expenses of the institution. Therefore, Making a donation to the Islamic center, you can help DAM to continue proving these services for a promising, however poor Islamic scholar.

Dhaka Ahsania Mission (DAM) invites you to take a collective stand for humanity by igniting virtue of kind hearted Muslims. We commit toward making the best use of your hard-earn money and ensuring the utmost donor satisfaction.
